

CARS 2022 Program Overview

JST	Tuesday, June 7, 2022			Wednesday, June 8, 2022			
	Main Hall1	HallA-2+3	HallA-1	Main Hall1	HallA-2+3	HallA-1	
	Room1	Room2		Room1	Room2		
8:30	Welcome to CARS 2022						
9:00	CAR Medical Imaging	ISCAS Orthopedic Applications	Poster Presentation & Exhibition	9:00	ISCAS ISCAS Invited talk	CAR CAR/CARS Poster Session 2	Poster Presentation & Exhibition
9:30				9:30	Surgical Simulation, Training and Education Applications	Virtual and Augmented Reality	
10:00		Surgical Instrumentation and Robotics		10:00			
10:30	Imaging Informatics - Segmentation (1)			10:30			
11:00				11:00	Surgical Workflow Assessment and Applications	Image Guided Interventions	
11:30	Imaging Informatics - Advanced Processing			11:30			
12:00			12:00				
12:30	State of the art presentation			12:30	State of the art presentation		
13:00	CAR Imaging Informatics - Reconstruction	IPCAI Opening	Poster Presentation & Exhibition	13:00	ISCAS Imaging Informatics/ AI for Interventional Support	IPCAI Long Presentations 1	Poster Presentation & Exhibition
13:30		Short Presentation 1 Robotics Augmented Reality and Registration		13:30			
14:00	Imaging Informatics - Segmentation (2)			14:00			
14:30				14:30	Interventional Modeling Tools and Applications	Long Abstracts Long Presentations 2	
15:00		Short Presentation 2 Surgical planning and Simulation Machine learning in ultrasound		15:00			
15:30				15:30	Evening seminar (Kompah)		
16:00				16:00		Long Presentations 2	
16:30		Short Presentation 3 Surgical workflow Machine learning in intraoperative imaging		16:30	Workshop: Digital Topology and Mathematical Morphology for Medical Image Analysis		
17:00	CAR/CARS Poster Session 1		17:00				
17:30			17:30		Award Ceremony and Closing		
18:00	Opening Ceremony & Keynote speech			18:00			
18:30			18:30				
19:00			19:00	19:00-19:30 Welcome Reception			
					18:00-21:00 IPCAI Special Event		

Thursday, June 9, 2022			Friday, June 10, 2022	
Main Hall1	HallA-2+3	HallA-1	HallA-2+3	HallA-1
Room1	Room2		Room2	
9:00	ISCAS ISCAS Invited talk		9:00	CARS Cardiovascular
9:30	Neuro-Interventions and Applications		9:30	
10:00			10:00	
10:30		Poster Presentation & Exhibition	10:30	
11:00	Interventional Imaging and Image-Guided Navigation		11:00	
11:30			11:30	
12:00			12:00	
12:30	State of the art presentation		12:30	
13:00	ISCAS Poster Session 1		13:00	CARS Digital Operating Room
13:30	Poster Session 2		13:30	
14:00	Poster Session 3		14:00	
14:30	Poster Discussion		14:30	
15:00			15:00	
15:30	Evening seminar (FUJIFILM Healthcare Corporation)		15:30	Digital Healthcare
16:00	Special Joint Session from JSCAS (CARS/JSCAS joint)		16:00	
16:30			16:30	
17:00	MCA; Multidisciplinary Computational Anatomy		17:00	Closing ceremony
17:30			17:30	
18:00			18:00	
18:30			18:30	
19:00	CARS2022 Banquet @Main Hall2 19:00-21:00		19:00
